

## Product Information

### Speick Natural lip care (BDIH-approved natural cosmetics)

**Intensive moisture and long-lasting protection.** The lip care stick combines selected natural ingredients to make dry, sensitive lips feel noticeably soft and supple:

- Premium jojoba oil (certified organic), vitamin F and vitamin E replenish and hydrate to reveal incredibly soft lips.
- Creamy beeswax, carnauba wax and shea butter (all certified organic) create a natural protective film that makes lips feel noticeably soft and supple, provides lasting protection against dehydration and adds subtle shine.
- Pure essential oils such as orange, rose and vanilla give the lip care stick a subtle, pleasant taste and fragrance.

Each Speick product contains the harmonising extract of the high alpine Speick plant from biologically regulated wild harvesting.

The Speick Natural lip care stick complies with strict BDIH guidelines for natural cosmetics. No artificial fragrances, colours or preservatives. Free of mineral oils and waxes. Dermatologically tested.
